OCI compliant service providers and suppliers

At the moment SAP is evaluating the possible scenarios for an SAP Content Services Strategy. To give an overview about the OCI compliant service providers and suppliers, SAP Management agreed on providing a list on SAPNet. For more detailed information, please have a look at [SAP's Content Services Strategy](#).

This list can be used for example within the SRM sales cycle or project acquisition. **Please note: This list is for internal use, only!**

The list comprises in the first phase:

- [OCI certified and OCI compliant catalog vendors](#)
- [Content service providers](#)
- [Content aggregators](#)
- [Supplier network providers](#)
- [Marketplace providers](#)
- OCI compliant suppliers per country:
 - [Belgium](#)
 - [Netherlands](#)
 - [Switzerland](#)
 - [UK](#)
 - [US](#)

The data quality within this lists depends on the information provided by th
